

SAFE

The Foundation for Safer Athletic Fields

SAFE is the charitable organization of the nation's only association for the sports field management industry – the Sports Turf Managers Association (STMA). The Foundation was established in 2000 to fund educational programs and scholarships geared to the sports field profession. SAFE awards more than \$21,000 annually in scholarships and grants. It generates funding for these programs through member and industry donations, grants, annual golf tournament, auctions and raffles.

SAFE's mission is to enrich communities through championing safe, sustainable sports and recreation fields for all athletes.
